By Bruce Copeland.
"Fry Frank" Murphy, the rest-of-the-team player, along with some home hitting by "Hans" Weis and Ed Stewart, the tapering center, proved too much for Moline yesterday—much too much. Moline capped the initial set, because "Fry Frank" covered the diamond efficiently than a post-game slump. "Murphy" was all around the diamond like a Tiffney. If first base had been as good as a Peruvian dime, he couldn't have missed it.

Ordinarily, Ed Stewart's tall, lanky twister, along with some home hitting by "Hans" Weis and Ed Stewart, the tapering center, proved too much for Moline yesterday—much too much. Moline capped the initial set, because "Fry Frank" covered the diamond efficiently than a post-game slump. "Murphy" was all around the diamond like a Tiffney. If first base had been as good as a Peruvian dime, he couldn't have missed it.

The Mackinac horse started several capacious rallies that proved only skills. In the first game they made the Spalding apple with enough punch to drop the Statue of Liberty. Big Jake Deifel, best of the backstop in the league, beat his bludgeon roused with a new bit of awe. In three innings Jake pulled out three singles in each frame that dripped with disaster. Jake smites like Dempsey. His first two blows, both to left field, were postmarked home runs, but Moline boxwork by Gus Purpura, schooled the first for a two-bagger and the second for a single. Jake hit safely the first three times up, hitting under the strain of field duty until a change in the lineup in the eighth gave him a short rest for the second canto.

Great Day for Murphy.
But "Fry Frank" Murphy was the hero of the day, especially in the field, taking plays back of third that would rival the antics of a Harlanville, and pegging out batters by no more than a gasp. Murphy's figures for the day are significant, but fail to do justice to his all-around worth in the double defeat of the Molineers.

Beck held the Islanders to six hits, although he was inclined to be hit, actually, perhaps, by ragged Moline. He fanned five and passed up his inability to bunch their hits. Yesterday proved beyond doubt that Murphy is a ball player with a future.

RAIN CHECKS TENNIS.
Last Bourne, Aug. 12.—The tennis matches to have been played today by the American and French Davis Cup teams were cancelled because of rain. As the American Saturday eliminated the French team, the remaining matches will be merely exhibition.

ISLANDERS LOSE 4-3 BY FLOW BOYS IN SATURDAY TILT

Errors by Murphy and Martin in the sixth inning of Saturday's game gave Moline the winning run in a 4-3 contest. The Islanders succeeded in getting three men on base in their half of the last inning but were lacking with a single that would have scored the runs necessary to win. Despite Rock Island's ragged play in the field, the game produced a number of thrills that kept a good sized Saturday crowd on edge throughout.

DOINGS OF THE DUFFS BY ALLMAN

SCHAUER RAGES AFTER REPORTS OF "FOUL" ACT

Says Home Newspapers Should Have Verified Reports Before Printing News.
No man likes to see anything untrue printed in the newspapers about himself, particularly a fighter; and in his own home papers, at that. It is an assured fact that if the said libeled person gets the chance, he will do his utmost to revenge himself on the guilty other party.

All Hot Up, Too.
That, of course, can't add to a fighter's feelings of good nature. Schauer, naturally quiet and unassuming, is considerably wrought up over the newspaper accounts. It was this line of action by O'Grady that caused the hard feelings in the first place between the two men. Where the bars were down before, Schauer is now in such bad humor as to want to seek Van out and make it a public affair somewhere on the street of St. Paul.

Great Semi-Booked.
While talking and thinking about the big go of next Friday, don't lose sight of the lesser number of the bill, Frankie Scherrock and George Cummings. This no doubt will be a fast and interesting semi-windup with just the right touch to put the fans on keen edge for the grand finale of the evening.

MAJOR LEAGUE LEADERS HAVE NARROW EDGES

Cleveland Has Only Half-Game Margin—Brooklyn Tops Nats By Game-and-Half.
BY HENRY L. FARRELL.
(United Press Staff Correspondent)
New York, June 12.—Cleveland in the lead by a half game and Brooklyn setting the pace with a one-game margin at the half.

A more hectic condition of affairs than exists now in the major league races hardly could be conceived.

The National league, with a little more than a dozen games separating the leaders from the cellar holders, has about as much stability as a feather in a whirlwind.

Cubs Split Even.
Last week, Mitchell's men split even in eight games—just ordinary baseball. Yet the Cubs hopped from fifth to third place.

The Reds won only three out of seven games and they dropped out of the lead by only one game.

The Dodgers won eight out of nine starts and got in the lead by only one game.

The Cards and Pirates won four out of five games and dropped down a notch.

Giants Stand Still.
The Giants split even in six games and didn't budge an inch.

Leaders Win.
Bloomington, Ill., July 11.—Due to ineffective pitching of the visitors and their failure to hit Conkright, Lynch and Hanson were chased. "Whitney" Mackey, Peoria semi-pro, a southpaw, pitched a good game for his first professional entry, allowing but two hits in five innings. Fire destroyed the Bloomers' clubhouse early Sunday morning, causing a personal loss of over \$400 to players and \$2,500 to the association. The fire is believed to be of incendiary origin.
